PROFESSIONAL SEARCH

WHERE KC'S LEADERS FIND TOP TALENT.

Talent that moves companies forward.

Exclusive, referral-only talent you won't find through traditional channels, narrowed with AI and human judgment into proven, culture-aligned hires.

15,000+
professionals, CXOs, VPs & hiring leaders

4,000+
introductions made across KC

300+
jobs offered to our candidates

350+
compensation consulting engagements

A network, not a database.

Our secret weapon is a working network of 15,000+ professionals and hiring leaders — Kansas City's most connected talent ecosystem. Candidates come to you **referral-backed**, not pulled from a job board.

We don't guess on pay. Our AI-assisted **compensation analysis is free**, checked against market benchmarks, and built to help you attract top talent without disrupting your pay structure.

THE HAVENS MODEL

20% of base salary, only when you hire

- Full comp analysis in every search
- Extended payment terms
- Hundreds placed, real ROI
